

UNITED WE STAND

- > OBAMA has voted in opposition to several bills aimed at stopping late abortions that can result in the Fetus surviving for hours
- > Obama told Planned Parenthood that sex education for kindergarteners is "the right thing to do."
- > Voted against giving tax credits to parents who send their children to private school.
- > endorsed Illinois handgun ban.
- > Promised to repeal Patriot Act, then voted for it.
- > Voted against making permanent the repeal of the Illinois state's 5 percent sales tax on gasoline. (2000)
- > Obama is against exploration, drilling, refineries, clean coal and nuclear energy.
- > Obama is even prepared to ignore two UN Security Council resolutions that require Iran to stop its uranium-enrichment program as a precondition for talks at the highest level.
- > OBAMA *claimed that Kansas tornadoes killed a whopping 10,000 people: "In case you missed it, this week, there was a tragedy in Kansas. Ten thousand people died -- an entire town destroyed." The actual death toll: 12.*
- > voted "present," effectively sidestepping the issue, 130 times as a state senator.
- > For 6 State Senate Votes He pushed the wrong button, he claims . Two of the admitted flubs were on hotly contested issues
- > CARTER - OBAMA policies plan to, raise taxes, increase government regulations, barter with inhumane dictators, and raise the flag of surrender in Iraq
